**KOWHAI 33sqm:** Who would've thought you could fit a breakfast bar into such a compact design? Yet here it is, the perfect little gem for anyone who loves to cook while still having space for family or grandchildren to gather around. A proven favourite, this home is admired for its unbeatable value and smartly efficient layout. It's where affordability meets style and it's winning hearts for all the right reasons. The exterior shines with sleek Innova Duragroove cladding, elevated by a bold upgrade feature wall in stunning Thermally Modified Plantation Pine. **Note:** The photo above is an artist's impression. Please refer to the specifications sheet for details of our standard inclusions.
